## SOFFIT IS FABRICATED TO ANY SIZE, ANY DIMENSION, FOR ANY SITUATION

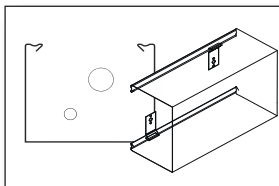

# EASY AS

### 1. SELECT THE PROFILE: SIZE OF THE PIPE DOESN'T MATTER

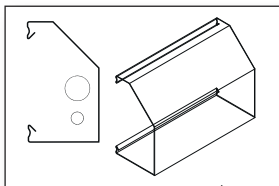

Choose the L-Shield profile when two sides of your pipe or mechanical need to be covered.

Choose the U-Shield profile when three sides of your pipe or mechanical need to be covered.

Choose the Slope-Top profile for aesthetic purposes or to discourage the use of the cover as a sitting area.
